DESCRIPTION

User-Friendly SOLAS Training Manual:
The fourth edition of our popular SOLAS Training Manual meets the latest SOLAS 2021 requirements. Suitable for use on all SOLAS vessel type and larger non-SOLAS vessels. The Manual is an easy-to-read, user friendly document, presented in an A4, loose-leaf format. The main body describes equipment and procedures generically, and the final section allows the user to insert details applicable to a specific vessel, thus making each document unique and fully compliant with the cited regulations.
