Life Jacket - Automatic Inflatable - Fall Arrest - 300N - MED/SOLAS

Number: 3.40.0054

SPECIFICATIONS

Made in: Estonia

HS Code: 63072000

DESCRIPTION

The Besto 300N Twin Chamber SOLAS lifejacket is specially designed to wear in combination with Fall Arrests. The design of the jackets allows the safety hooks of the Fall Arrest to be free for attaching the Fall Arrest lines, on the front and back. At the back side the specially shaped Y-style backstrap gives space for the safety hook of the Fall Arrest. Special loops are fitted on the backside of the lifejacket, so the lifejacket can be looped onto the fall arrest, for easy donning and perfect fit.

The small and tailored design gives a perfect body fit. The outside cover is made out of strong synthetic wipe clean, High-visible fabric. This is easy to clean and very durable.

Standard the Lifejacket is fitted with:

- A comfort Fleece collar, for optimum neck comfort
- Extra protective cordura patch for durable cover
- A double crotch strap, to secure the lifejackets onto the body
- A strong YKK zipper closing, to keep the bladder in place

Approved according to CE EN 12402-2 and the latest SOLAS/MED/LSA requirements. IMO resolution A689(17) as amended by resolution MSC 81(70), MSC 200(80) and MSC226(82). Full performance is achieved by fully inflation of one or both of the chambers, automatically or manually.

The Lifejackets give 300N buoyancy, so the jackets are suitable for:

- Extreme weather, offshore and open sea
- When wearing heavy protective and waterproof clothes

- Size/type Adult 50+ kg
- Buoyancy: Inflatable 300N
