## ARTICLE

### Alcomate Prestige (Model AL-6000 Basic) in pouch with 5 mouthpieces

Number: 4.26.0046

IMPA number: 331223

## SPECIFICATIONS

Made in: United State

HS Code: 90318020

## DESCRIPTION

Alcomate Prestige (Model AL-6000 Basic) in pouch with 5 mouthpieces

The AlcoMate® Prestige is the original breath tester that introduced pre-calibrated replaceable sensor module technology to the market. Pre-calibrated replaceable sensor modules eliminate the need for traditional mail-back calibration service that is required of all other typical breathalyzers.

- DOT Approved for Law Enforcement: Accuracy +/-0.01 at 0.10% BAC
- US Coast Guard Approved
- Pre-Calibrated Replaceable Sensor Module Technology
- 3-Digit LED Results Display
- Active Pressure Sensor / Deep Lung Air Sampling
- Cumulative Test Counter
- Low Battery Indicator / Auto Power-Off
