### Fire extinguisher Mobile FOAM Jockey - S50J Externa GREEN 2.0 - 50ltr - 5mtr hose - AB - MED/SOLAS

Number: 4.01.2044

## SPECIFICATIONS

Measurements: 450 (l) x 450 (w) x 1100 (h) mm

Weight: 90,00 kg

Made in: Germany

HS Code: 84241000

S<sup>50</sup> J Externa  
GREEN 2.0

Geeignet für den Einsatz an elektrischen Anlagen bis 1000 Volt bei 1 Meter Mindestabstand

## DESCRIPTION

The new JOCKEL GREEN 2.0 foam fire extinguishers are the latest development in environmentally friendly fire fighting.

Without fluorine surfactants and solvents, they are suitable for use on incipient fires of class A and B.

Their wide range of uses and residue-free disposal make them ideal for any type of environment.

The low specific gravity of the film-forming foaming agent ensures safe extinguishment of the fire by forming a closed dense vapor and aqueous barrier layer on the surface of the combustible material.

Furthermore, foam has a cooling effect due to its water content.

The GREEN 2.0 product line convinces with a higher extinguishing performance and an improved price-quality ratio.

Extinguishing agent: JoMix FFE

Propellant: CO<sub>2</sub>

Mode of function: Cartridge operated

Quantity of extinguishing agent: 50ltr

Maximum extinguishing performance: A / IV B

Temperature range: +5°C to +60°C

Spraying time/spraying distance: 220 sec. / 7 m

Weight: 90-95 kg (incl hose)

Hose length: 10 M

Height/width: 1100 mm / 450 mm

Diameter: 615 mm
