DESCRIPTION

The Crewfit 275N XD offers the ultimate advanced comfort and performance technologies. The modular design creates a comprehensive catalogue including a choice of covers, inflation and harness options.

Fusion 3D technology provides complete freedom of movement and ensures the lifejacket remains comfortable even during long periods of use, whilst the unique design with built-in twin waist adjusters allows for easy donning.

The wipe-clean cover helps to ensure increased longevity when used continuously in the harshest of working environments, whilst the fabric shoulder panels retain a comfortable fit.

It's what's inside that counts.

The 275N bladder outperforms approval and offers 290N worth of buoyancy. The unique buoyancy distribution provides exceptional turning solutions even when wearing heavy clothing. The bladder is highly visible on inflation and hosts an impressive array of features including built-in chin support, location beacon attachment points and dual lifting beackets.
