Cederroth First Aid & Burn Station

Number: MESP9.0024ST1

SPECIFICATIONS

Made in: Netherlands

HS Code: 30051000

DESCRIPTION

The first aid mini panel is very suitable for small spaces and as a supplement to first aid equipment. The panel can also be useful in commercial vehicles or vans.

The small green solid panel only contains plasters and a styptic bandage. You simply attach the panel to the wall and top it up just as easily with a red key.

Contents:

1x 4-in-1 styptic dressings

3x 4-in-1 mini styptic bandages

1x Salvequick plaster dispenser with 40 textile and 45 plastic plasters
