DESCRIPTION

For water sports enthusiasts who want to explore the French Channel coast, the FR1 is ideal, it takes you from Dunkirk (Dunkerque) to Cherbourg along the coast. This very historic section of France leads past cities such as Boulogne, Dieppe and Cherbourg. There is also no lack of beautiful sandy beaches and historical places on this stretch of coast. In Le Havre the Seine flows into the English Channel and if you want you could travel to Paris. In general, the capital is only 2 hours away by train and the entire coastal region is popular by Parisians. Thanks to the clear structure, the skipper can quickly find approaches, harbours and anchorages and is informed of important navigational details that also appear in the NV Charts app. The chart series impresses with its optimal scales and balanced sheet cuts. This chart set includes 6 Passage Charts 18 Coastal Charts 28 Details Charts Code for the app Digital charts & navigation programme Navigation notes in English and French Tide tables Paper port plans & Digital Meets legal requirements for up-to-date paper charts on board NV Atlas chart format NV Charts nautical charts are available in an outstandingly practical, handy atlas booklet format and thus offer many advantages over formats from other manufacturers. The nautical chart series have been designed by nautical experts and passionate water sports enthusiasts with the needs of recreational boating in mind. The NV Atlas has a very flat staple binding in the middle, so that the course triangle can also be used there without any problems. This innovative development makes it possible to look up charts quickly and always have them in the best possible order at the same scale. The NV Atlas is delivered in a plastic cover protected against splash water. This modern nautical chart format is very popular on sailing boats as well as on motor yachts and is the preferred choice of many of our customers.
