Liferaft 20 pers TO - Round container - Solas A-Pack - MED/SOLAS

Number: 7.80.0067

SPECIFICATIONS

Made in: Thailand

HS Code: 89071000

DESCRIPTION

Liferaft 20 pers TO - Round container - Solas A-Pack - MED/SOLAS

Upon release from its stowage arrangement, this type of liferaft either slides automatically or is thrown overboard manually. Once waterborne, the liferaft inflates by a firm pull to the painter line.

Throw overboard liferafts are mainly used on commercial vessel, passenger ships or offshore assets. The liferaft is stowed in a rigid fibreglass container and approved by DNV in accordance with SOLAS/MED requirements and relevant flag state approvals.

High-quality and low-maintenance SOLAS/MED approved liferaft solution for automatic or manual throw overboard launch from vessels of all types.

- High durability with an expected lifespan of 15-20 years
- Can be deployed at temperatures as low as -30 ° C
- Exceptionally stable even in rough seas
- Holds several flag state approvals
- Two individual buoyancy chambers, each carrying capacity weight

Approvals: Class NK, USCG, SOLAS, MED
2990
