Weight kg. 0,600

Dimensions cm. 30 x 29 x 20

Usually supplied in packs of 10 pcs

(pack dimensions: cm 105 x 60 x 28)

Mediterranea is easy to wear, as a simple gilet; the user only needs to open it by means of the two convenient press studs and wear it over any outfit. Thanks to its design it does not need any crotch strap, that, if not properly worn, could be dangerous in case of abandon-ship operations.

Surely the best solution to optimize the storage !

Thanks to its compact shape, when folded, it can be easily stored in wardrobe and/or lifejackets cabinets, allowing the best organization of spaces on board the ship.

Also, shipping capacity and costs will be rationalized in reason of its compact dimensions
