Brown's Nautical Almanac - 2026

Established in 1850 on the south side of the River Clyde in Glasgow, Brown, Son & Ferguson Ltd. soon started publishing books for the sailing ships that visited the city. In these early days, few publications on maritime affairs were available, and its range of titles steadily grew. A new and exciting era dawned for the firm with the first issue of Brown's Nautical Almanac in 1876.

Every year it continues to be completely revised with ongoing care and attention given to its preparation. Sailors will find a wealth of detailed information, including; Buoyancy, Distance Tables, Marine Safety, Navigation, Stability, Tide Tables for World Ports and Time Zones. This list is by no means exhaustive, and sailors will find a host of useful information throughout the book.
