### Hero Universal Liferaft Cradle 4P - 12P ss

Number: 7.80.0073

## SPECIFICATIONS

Made in: China

HS Code: 89071000

## DESCRIPTION

The HERO liferaft cradle provides a reliable and secure way to mount your liferaft on board. Its design combines strength with flexibility, making it suitable for different types of boats. The adjustable support allows easy adaptation to your liferaft and vessel setup. High-quality materials ensure durability and long-lasting performance, even in demanding conditions. An efficient solution for boat owners who want safety and rapid liferaft deployment.
