Foam making liquid FOMTEC Enviro SEA 1 % - 20Ltr - PFAS free - MED/SOLAS

Number: 4.05.0202

SPECIFICATIONS

Made in: Sweden

HS Code: 38130000

DESCRIPTION

Enviro SEA 1%

Fomtec Enviro Sea 1% is a firefighting foam concentrate with no intentionally added PFAS (fluorine compounds). It is a novel formulation consisting of surfactants, foam stabilizers, and boosters.

Fomtec Enviro SEA 1% is intended for use on hydrocarbon fuel fires such as oil, diesel, and other water-immiscible fuels.

Fomtec Enviro SEA 1% is specially designed for use in marine applications and for use with seawater.

Features

New Generation Fluorine Free Foam
Approval according to IMO 1312 / MED
100 % biodegradable
Sea Water applications

Storage/Shelf life

Stored in original unbroken packaging the product will have a long shelf life.

Shelf life in excess of 10 years will be found in temperate climates.

As with all foam concentrates, shelf life will be dependent on storage temperatures and conditions.

For storage recommendations and material compatibility please refer to Fomtec Technical Advices FTA 10 addressing the topic.

The Fomtec Enviro range comprises an extensive range of non-PFAS based foams suitable for use Emergency Response missions and System applications.

Enviro foam concentrates are available for class A, class B fire hazards and products are available for low, medium, and high expansion discharge devices.
