Number: 2.50.0019

SPECIFICATIONS

HS Code: 85176990

DESCRIPTION

HX891BT - Floating 6 Watt Handheld VHF/GPS/Bluetooth

If safety is the number one concern out on the water, then look no further, the Standard Horizon HX891BT VHF/GPS/Bluetooth has it all! Built-in GPS and full DSC capabilities give the ability to share position information in the event of an emergency. The built in Bluetooth feature gives the additional advantage of handsfree VHF operation, compatible with the SSM-BT-20 Bluetooth headset and additional aftermarket headset types. The HX891BT is available in two different color options, Black or Navy Blue. Prominent features include a water activated Strobe light as well as two scrambler systems built in to ensure secure communications out on the water. Other notable features include: FM band radio, Switchable daytime or nighttime mode, waypoint and route navigation, Group monitor function utilizing DSC Group position call. Keeping the marine environment in mind the HX891BT has been designed with an ergonomic case design and has been rigorously tested to conform to the Military Standard (MIL-STD-810F). The feature packed HX891BT comes packaged with all the accessories including the rechargeable Li-Ion battery, Alkaline battery tray, 110V wall charger, 220V adapter, charging cradle, 12V charger, PC programming cable and belt clip with lanyard, and it's backed by our industry leading 3 year waterproof warranty.
