NSR-1514 Scene Light w/Magnetic Base & Telescoping Handle - 1000L

Number: 7.25.0009

SPECIFICATIONS

Measurements:	305 (l) x 155 (w) x 89 (h) mm
Weight:	1,50 kg
Made in:	United State
HS Code:	85131000

DESCRIPTION

The NSR-1514 rechargeable LED area light with magnetic base is perfect when portability is important. This area light cranks out an impressive 1,000 lumens of light on high and 500 lumens on low using a single sealed push button switch. The housing is constructed from lightweight 6061-T6 aluminum and the multi-fin heat sink design keeps the fixture cool to the touch.

The light can be swiveled independently allowing the user to position the fixture exactly wherever light is needed and the heavy-duty magnetic base allows the light to be attached to most metal surfaces for hands-free operation. The area light includes an adjustable handle, and AC and DC power supplies.
