DATASHEET

ARTICLE

Plaster strips various sizes - 15 pcs

Number: MEII210AST1

IMPA number: 391031

SPECIFICATIONS

Made in: Netherlands

HS Code: 30051000

DESCRIPTION

Waterproof bandaids suited for covering all kinds of small cuts and wounds. The flexible, waterproof material protects the wound completely against water when you are going for a swim or when you are taking a shower or a bath. The non-adhesive wound cushion protects the wound and act as a shock dampener. Because of the adhesive force the bandaid will stay in its place.
