Cederroth Station Empty

Number: MESP9.0016ST1

SPECIFICATIONS

Made in: Netherlands

HS Code: 39231090

DESCRIPTION

Bracket for Cederroth eyewash

For your first care during accidents involving harmful substances

Strong metal support for eye solution bottle.

Bottle attached to station. Opens automatically when removed from drive.

For immediate emergency use.

Practical and can be installed anywhere.

Tip: preferably place 2 bottle holders next to each other. In an accident, both eyes can be affected. Don't forget to order the bottles of eye solution (wall holder is sold without bottle).
