HS Code: 90138090

DESCRIPTION

The Carson SG-10 is a deluxe equipped handheld magnifier with a 2x magnification, a 90mm lens and a rubberized handle. The magnifier also has a built-in power lens (11.5x) located on the top of the stem.

For high-comfort purposes, the handle has a rubber grip. The lens is made of high quality glass, the spot lens is made of acrylic. This gives you an extremely clear image and a high scratch resistance. To make it safe and easy to carry, a compact carrying pouch with drawstring is included.

Usage Carson SG-10

The magnifying glass is an ideal accessory when reading, because you are able to enlarge a big part of a sentence, for instance. Of course, you can also use this handheld magnifier to view small objects with more detail, such as coins or insects. You can use the built-in powerlens to enlarge objects 11.5x. The magnifying glass is lightweight and easy to carry in the included storage bag.

Included:

- 1x Carson SG-10 (Handheld Magnifier with Rubber Grip 2x90mm)
- 1x Carrying pouch with drawstring
- 1x Blister packaging
