Safety harness Kratos Rescue FA1010600 - One Size (adjustable size S/M/L)

Number: 4.10.0070

SPECIFICATIONS

Weight: 1,36 kg

Made in: United Kingdom

HS Code: 58063290

DESCRIPTION

Fall Protection Harness Kratos Rescue FA1010600 is a standard harness with 1 anchor point for fall protection on the dorsal side (1 dorsal D-ring) and 1 anchor point for fall protection on the chest side (1 sternal D-ring). The harness is simple and easily adjustable and equipped with an extension strap so that the harness can be used for situations such as rescue and evacuation. The harness can of course also be used as a standard harness for basic applications when working at height.

Strengths:

- Distinguish shoulders and legs with 2 different colors
- Extension strap for evacuation and rescue

Ergonomics:

- Ideally placed seat strap for better user comfort
