HS Code: 90148000

DESCRIPTION

911MS Viking

Feel the balance – with VIKING

When the sea tilts, the clinometer shows you how to stay on course.

The inclinometer from the VIKING series is more than just a nautical instrument – it is a symbol of balance, precision, and maritime style.

Polished brass – classic, corrosion-resistant, timeless. Ideal for the cabin, helm, or saloon. Made in Germany – quality that inspires confidence.

Whether on stormy seas or a calm voyage, it reminds us that balance is important not only on the water, but also in life.

A piece of seafaring tradition that provides calm and direction.

5" Brass housing

Oil stabilized

Used to measure the ship's transverse angle of heel
