DESCRIPTION

Besto Automatic inflatable Life Jacket 300N- Fire retardant is an ergonomic offshore working jacket and can be used with:

- Extreme weather
- When wearing heavy protective waterproof clothes. The lifejacket remains safe and will rotate the body so the airways are clear of the water.
- suitable for welding and grinding (fire retardant)
- Available in 180N and 300N

Additional you can use the fire retardant “welder cover” to protect the eyes against welding. Note: These extra black covers are only to be used in combination with fire retardant “panotex” jackets and never in combination with standard nylon or wipe clean jackets!
