Number: 3.41.0402

## SPECIFICATIONS

Measurements: 400 (l) x 390 (w) x 25 (h) mm

Weight: 9,00 kg

Made in: United Kingdom

HS Code: 89079000

## DESCRIPTION

Jonbuoy Recovery Module 1000 - black carbon style case. Recovering a man overboard can be an extremely hazardous operation for both the crew and the person being recovered - regardless of the vessel size. The Jonbuoy Recovery Module is designed to make this a simple operation, while increasing vital visibility and buoyancy for the casualty. Accepted as a direct replacement for a traditional danbuoy, horseshoe, drogue, light and whistle, specified within the ISAF offshore special regulations.

Viewing back of the unit with the optional Module release system installed
