Jelonet Burndr., 10x10cm - 10 pcs

Number: MEII228ST10

IMPA number: 391051

SPECIFICATIONS

HS Code: 30059010

DESCRIPTION

These paraffin gauze pads are impregnated with soft paraffin making them suitable for treatment of superficial and wet wounds. The paraffin reduces the adherence of the dressing to the surface of the wound. These paraffin gauze pads are an excellent choice when treating burns, ulcers, skin grafts and traumatic injuries.
