DESCRIPTION

Type IIR Surgical Mask

The Type IIR surgical mask from Teqler offers a high resistance against fluids and aerosols and guarantees a filter performance of 99%. The surgical mask can be adjusted to the wearer's face with the long, integrated nose clip, while its elastic ear loops provide a high level of user comfort. Thanks to the high bacteria filter performance and the resistance against liquids and aerosols, the face mask provides a particularly high level of protection from infections.
