Guedel Airway Adult 9cm - Size 3 - Orange

Number: MEI1216ST1

IMPA number: 391202

SPECIFICATIONS

Made in: Netherlands

HS Code: 90192000

DESCRIPTION

A single-use oropharyngeal airway. Designed to maintain a patent oropharyngeal airway for the unconscious patient in the Pre-Hospital Care environment, under general anaesthetic during administration of the anaesthetic, or during recovery. The smooth and flexible finish of the Airway reduces the risk of damage to oropharyngeal tissues. Bite block reinforcement prevents occlusion of airway in the event of involuntary biting. Orange guedel. Size 3. Suitable for adults.
