Yellow a/h with harness - 300N**

Number: 3.40.0031

SPECIFICATIONS

Made in: Romania

HS Code: 63072000

DESCRIPTION

Besto Automatic inflatable Life Jacket 300N- wipe clean is an ergonomic offshore working jacket and can be used with:

- Extreme weather
- When wearing heavy protective waterproof clothes. The lifejacket remains safe and will rotate the body so the airways are clear of the water.
- Strong smooth synthetic outer skin
- Dirt-repellent and easy to wipe clean
- Oil and diesel resistant.
- Available in color: Orange, Black and Yellow

This vest is suitable for a person with a maximum chest girth of up to 125 cm. If the person has a chest girth of up to 175 cm then an extension set (3.40.0063) is required.
