Number: 3.46.0002

SPECIFICATIONS

Measurements: 520 (l) x 290 (w) x 45 (h) mm

Weight: 1,02 kg

Made in: United Kingdom

HS Code: 63072000

DESCRIPTION

The Datema 300N Inflatable has a good body fit due to the soft outer cover and special neck shape.

The collar is strapped onto the back, this gives a comfortable neck fit. Also it gives a good neck/ head support when the jacket is inflated.

The jacket comes standard with a crotch strap to enhance performance and freeboard. The jackets are finished with edge binding all-around and has a floating capacity of 300N. The jackets are available in various versions, automatic or manual (option), with or without harness and in various colours.

The Datema inflatable 300N is a life jacket designed for use on open sea and in all weather conditions:

- extreme weather
- when wearing heavy protective waterproof clothes

The jacket remains safe and will rotate the body so that the airways are clear of the water.

Specific marks:

- System: United Moulders MK5
- CO2 Cylinder: 60 gram
- All Weather Cartridge 2990
